

The Double Derwent Light With Fluted Shade

Description Part of the Martin Brudnizki for Drummonds Collection, The Single Derwent Light channels Brudnizki's penchant for vintage luxe. The two symmetrical fluted glass shades are pinched in the middle creating a bow shape which can be used horizontally or vertically. The glass is hand blown and the metalwork is hand fabricated, making each light a unique piece.

Variations

- 
 Unlacquered Brass - Hand cast & polished but not lacquered: they will age beautifully over time.
- 
 Nickel-Plated - Polished nickel is more hard-wearing than brass but requires periodic polishing to keep bright or left to age gracefully.
- 
 Chrome-Plated - This is the most hard-wearing finish & requires minimal maintenance, a brighter blue finish to the nickel plating.
- 
 Antique Brass or Bronze - Please contact us for a bespoke finish.

** Due to the manufacturing process, brass component parts slightly differ in colour.
